

HBE-200v2

7" IP Intercom Indoor Station

The HBE-200v2 is a 7" touch panel intercom station. As an IP enabled equipment, it's easily installed by connecting to IP network. The HBE-200v2 integrates functions of alarm, intercom, video surveillance, short message service. The HBE-200v2 supports intercom with video door bell (e.g.HBE-100), outdoor intercom station (HBI-820), intercom console (HBI-1000). Optionally, it can forward intercom call to iPhone/Android App (via HSC-3000).

HBE-200v2

7" IP Intercom Indoor Station
